PLEASE WELCOME OUR NEW BARTENDERS!

To ensure our bartenders are trained properly, we have a policy that all new bartenders must ask everyone for their membership card. Please help us teach them the importance of our privacy policy. Have them ready, proudly show your Moose Membership Card and most important introduce yourself.

Now, to introduce the new bartenders

My name is **Melissa** and I am pleased to be one of the new bartenders here at the Moose. I have been a member of the Moose for about 10 years, as is my husband Scott. I am a Peters Twp graduate and attended CCAC for business. For the most part I have been a stay at home mom but have managed to keep busy. We recently moved from Canonsburg to Monongahela with our three children. Now the Moose is a bit more convenient. I like to think I am pretty easy to get along with so if you don't know me yet just strike up a conversation! I have been known to answer to "Michelle" but be prepared for a nickname of your own 😊 I am looking forward to getting to know everyone a little bit better

My name is **Adam**. I am from Elizabeth Township and graduated last May of 2009 from St Vincent College with an accounting degree. I am a sports fanatic, played sports all my life , including ice hockey. Played football and golf at St Vincent's. I have met a good number of members already and look forward to meeting many more in the future. I have only been at the Moose for about a month, but I can tell this is a great community and everyone has been very nice and welcoming. It is much appreciated.
