**My Coke Rewards and Target Take Charge of Education Program**

**are two programs that you can participate in yourself to benefit Moose charities.**

#### **My Coke Rewards**

As school representatives, we only want the best for our children. We know education plays a major role in shaping their lives. That's why our school has registered for the My Coke Rewards for Schools program. Now, drinking the products that you and your family enjoy every day, you can donate points to provide our school with the resources it needs.

Get started at [mycokerewards.com/schools](http://mycokerewards.com/schools)

In order to give our students the biggest benefit, we need your help. Parents, friends and others in the community can support us by signing up for My Coke Rewards® and donating their points to our school — providing playground equipment, art supplies, sports gear, educational resources and much more.

### Help support our students

1. Enter codes from your favorite participating My Coke Rewards products
2. Select our school from a list of participating K-12 schools. (Tip: Search using Zip Code 60539 and Select Mooseheart Schools)
3. Donate points to help our students get rewards

If you have any questions, please contact Moose Charities 630-966-2200 or email [request@moosecharities.org](mailto:request@moosecharities.org)

### **Target Take Charge of Education Program**

Moose members using a Target Visa or Target Card may sign up for the Take Charge of Education program by calling 1-800-316-6142 or by visiting Target.com and notifying Target they would like Mooseheart Child City & School to benefit from their purchases.

Mooseheart School ID is: 6427

Mooseheart is already designated as an eligible school in the program (school ID 6427). Each time members use a Target Visa or Target Card and have notified Target they wish Mooseheart to benefit from their purchases, Target will donate an amount equal to one percent (1%) of member's purchases at any Target store and Target.com, and one-half percent (0.5%) of member's Target Visa purchases everywhere else they use their Target Visa.

Target will track purchases charged to participating accounts and will distribute the accumulated donations to Mooseheart in March and September.

This is a great way for all dedicated members who have Target accounts to reward Mooseheart by doing what they'd normally do by shopping at Target.

For full details, visit [www.target.com](http://www.target.com) and scroll to the bottom of the home page and go to "Community" and then "Take Charge of Education"

If you have any questions, please contact Moose Charities 630-966-2200 or email [request@moosecharities.org](mailto:request@moosecharities.org)

Official Communication of August 2, 2010

**2010-2011 Youth Awareness Program**

For over 20 years, the Moose Youth Awareness Program has brought vital positive messages to the children across North America. The student representatives at the 2010 International Youth Awareness Congress in Indianapolis, along with the Lodges and Chapters, gave Moose International one recommendation: to continue this most important program that affects the youth in our own communities.

The 2010-2011 Moose Youth Awareness Program will follow the same format as last year. We ask you to sponsor at least two high school students with recognized leadership skills. They will attend Association Youth Awareness Congresses to be held this fall. Your Association Moose Youth Awareness Coordinator (LOOM) and your State/Provincial Youth Awareness Coordinator (WOTM) are now planning these sessions. Their plans include notifying you of the exact date, time, location, registration fee and other pertinent information. They will also need the name of your Lodge/Chapter Moose Youth Awareness Coordinators.

At Association Youth Awareness Congresses, the attendees will be challenged to complete a minimum of three Moose KidsTalk presentations to our targeted group of 4 to 9 year-olds by February 28, 2011. Upon their return from the Association Congress, we ask you to assist the students in their KidsTalk presentations by helping to arrange sessions with the targeted group if necessary, and to financially support them in purchasing materials they may need for their presentations. Last year, nearly 25,000 4 to 9 year-olds heard positive messages from our Moose KidsTalk presenters. Our goal is to reach 100,000 this year!

For your information, five of the students who are selected to attend the 2011 International Youth Awareness Congress (to be held April 28th - May 2nd in Charlotte, North Carolina) will receive either a \$12,000.00; \$8,000.00; \$5,000.00; \$3,000.00 or \$2,000.00 college scholarship.

Can your lodge help put your community's youth on a path to healthy living? Can your lodge implement or continue the KidsTalk program? For the sake of our youth and our next generation of leaders, the answer must be YES. Thank you for your cooperation.

The Youth Awareness Guide Book, Brochure and Parental Consent form will be posted on the website for your use

What a great day, weather was perfect. Finleyville did a great job and I thank Carl, Jen, and Katey for the wonderful job they did. Good time all around and there was so much food; nobody should have gone home hungry. :D To all those who rode, helped with cards, and for moral support, I just hope you all had a good time; but most of all to make awareness of the Alzheimer's disease & its effects. I could not have done this without your help. I hope that all had a good time and enjoyed the run. \$3900 was raised on just the day of the run. Thank You, Gretchen

Special note – the quilt raised a total of \$210

The WOTM will get \$105
