Gun & Gift Raffle Coming Soon!

Mark November 1st on your calendar right now.

That's a date you'll want to keep open for the 2008 Moose Gun and Gift Raffle.

That's right, "GUNS and GIFTS" for men and women alike, something for everyone. Along with the raffle there will be plenty of great food, drinks and a ton of fun for all.

This is the biggest event we have each year, and it takes a lot of people to run an event of this size. If you can help in any way see the chairman for the event, Hank Orłowski. He can let you know where help is needed.

If you can't help, grab a few friends and make the party. You'll have the time of your life.

More details will be available in the October Moosenger. See you all there!!!

Fraternally,
Allen Matters, Governor

The Golden Moose News

Just a little note to thank all of you that went on the trip to the Hamburg Fair. Everyone that went really seemed to have a great time and to say The Spinners were great entertainment is putting it mildly!! It was 75 minutes of great music & we even got to visit with the "Big Blue Robot". Hopefully, Ronnie's pictures turned out, because mine sure didn't! - I'm really not very good with my camera phone when it's a picture I want, but I do have a fantastic picture of my old, crappy living room rug!!! Anyway, we are gearing up for the Fall sessions of Family Feud, the 1st of which is in October, so keep an eye out for the time and date. Can't wait to see who I'm related to now!!

That's it for now, Folks. See you next month & you are welcome to the meetings on the 3rd Tuesday of the month!

Penny

News from Chapter 2191

Hi Ladies!

I hope when you read this that all of you are planning on attending the Family Picnic on Sat., Sept. 6. All members and their families are welcome. There is some interesting entertainment in store for you, as well as games & prizes. The best part...it doesn't cost you anything, just bring a dish to pass. The fun starts at 4:00. The sign up sheet is at the Lodge, but by all means, if you forget to sign up, come anyway. All are welcome!

Has everyone noticed the new LED digital sign? Pretty neat, huh? Watch for all upcoming events, all in full Technicolor!!

A few of us went to Pittsburgh last month to the mid-year convention. Stop in at the meetings and find out what's happening. Ladies meetings are the 1st & 3rd Mondays of the month. We have seen a few new faces the last couple of meetings, but we sure would like to see more of you!! And we always welcome some new ideas.

Just a reminder that anyone getting membership renewals, there is a slight increase of \$5.00. It was unavoidable, unfortunately, but we did try to keep it to a minimum. That also means that new memberships have gone up \$5.00 also, from \$40 to \$45. I know it seems like a lot, but, when you break it down, it really isn't that bad a deal. You will still be entitled to all the benefits and you are a Member in Good Standing of the "Friendliest Place in Town"!

Well, I know this is short this month, but I figured I would give you all a break from my rambling.....Have a good one & see you all at the Lodge.

Penny

Mooseheart's "RED RAMBLER" Football Practice Begins

After they worked out in their opening practice, some of the Ramblers players got equipment for the coming season. Junior Damion Moore (left) got the fit of his helmet checked by head football coach Gary Urwiler.

MOOSEHEART, IL - These are the unmistakable sounds of late summer - coach's whistles, thundering sprinting feet, hard-breathing athletes and encouragement shouted everywhere. And these are the sights of the opening day of high school football practice - as seen all over Illinois on Wednesday (Aug. 13): sweat-stained T-shirts, strained expressions and high-fives from athletes who have been apart for some or most of the summer.

Junior Cody Garcia made sure his shoulder pads fit properly.

Mooseheart opened practice Wednesday with the bulk of its squad present and the effort from its early-morning workout eventually pleased Ramblers football coach Gary Urwiler.

"You always look forward to it," Urwiler said. "Today was a good start. We started off a little bit slow. But by the end, it picked up. I'm encouraged by some of the athletes who have come out."

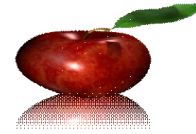

The Ramblers were 7-3 last year and finished the regular season with three straight wins before they fell in the opening round of the Class 1A playoffs to Milledgeville. That campaign marked the second consecutive season in which Mooseheart finished with a postseason game. Urwiler is 17-12 in three seasons since returning for a second stint to coach his alma mater. The 1987 Mooseheart grad was 23-23 coaching Mooseheart from 1996-2000.
