The Moosenger! September 2011

Women of the Moose News

Hi Everybody:

Thanks for the Garage Sale donations; we didn't do the best, but every little bit helps.

The people that participated in the Bean Bag Toss Tournament on Saturday, August 13th had a lot of fun. Prizes were awarded to the top 3 teams. We may be putting another tournament together, so please join in - you'll be glad you did.

We just got back from the PA State Moose Convention held in Pittsburgh. It was interesting to hear from WOTM from other lodges.

Oktoberfest is right around the corner - **October 8th** to be exact. Please join us for some good food and a lot of fun. More details to follow on the board posted in the lodge.

We're always looking for new members - encourage family and friends to join - a membership is only \$45, and remember, if you sponsor 2 new members, your dues are paid for next year. Also, if you know any former members, encourage them to stop by and join us again. We'd love to see them back.

As you know, our meetings are every 2nd and 4th Monday of the month - please join us - we'd like to hear your ideas and welcome your suggestions.

Moose Convention News

The 2011 PA State conference was held on August 25th-28th in Pittsburgh, PA. The attendees from your lodge were Bill Kelley, Scott and Kim Neff, Connie Smith and myself. We all attended numerous meetings pertaining to the various Moose Charities that we contribute to each year, training on the proper implementation of Moose policies and procedures, Social Quarters operations and how to increase membership and member retention. Along with all the subjects related to Moose business, there was also time set aside to present awards to the best performing lodges in our state and the country. This years big prize of being the best lodge in the state was shared by Franklin and Greenville lodges. Both of these lodges are part of District 15, our district. Although the North East lodge did not take first place, we are still very proud to report that we were tied for 9th place out of 130 lodges in Pennsylvania. This is an accomplishment that took a lot of hard work from many members of this lodge.

After the state awards, they moved up to the Premier Awards from Moose International. The awards range from Bronze and Silver to Gold and Platinum. The awards are only given to the top lodges in the order that meet the stringent requirements. Your lodge, North East 2568, has been awarded the Gold Premier Award for the year 2010-2011. Another milestone year for a small lodge from a small town in northwest Pennsylvania.

I would like to thank all the officers and all of our members for helping to make receipt of this possible. You should be very proud, I know I am.

Fraternally,
Allen Matters
Governor

Youth Awareness

The NE Lodge is looking for 2 high school students to attend a 2 day Moose Association Student Congress to be held this November in Franklin, PA.

For more than 20 years, the Loyal Order of Moose has organized high school students into a highly effective "Speakers Bureau" with the goal of educating preschool and elementary school children on a variety of topics. These topics include drug and alcohol abuse, child abuse, stranger danger, bullying, peer pressure, healthy habits and nutrition. These are known as "Kids Talks".

At this congress the students will be instructed on how to prepare a program to present to the kids. All transportation, food and lodging is paid for by the lodge. There will also be an evening of fun when you arrive, a dance and pizza party. All student speakers will be eligible to receive 1 of 5 scholarships to be awarded. The awards are: 1st place - \$12,000, 2nd place - \$8,000, 3rd place - \$5,000, 4th place - \$3,000 and 5th place - \$2,000. Call 814-434-6300 for more information.
