

A Message From the Administrator for the Board of Officers:

Here we are just finishing up our first month of the fiscal year. The new Board has been installed and is ready to roll. They wanted me to inform all our members of some things that are being done to make sure we are listening to recommendations for improvement and confirmation that some changes being made are keeping us moving in the right direction.

We have installed a **Comment Box** at the doorway where you buzz into the Social Quarters. This is just another means of communication to allow our members to let us know what is on their minds. All signed comments will be examined and acted on if we feel it is appropriate and affordable. The reason we want it signed is to ask for further ideas and explanations.

We have also scheduled a **Town Hall style meeting** for June 17th at 7 pm. All members are invited to attend and express what is on their mind, both positive and negative. If there are any subjects you want to make sure are addressed, please put your comments in the comment box prior to the meeting.

When writing your name on the daily book, please write legibly. We have been having a difficult time reading some writing.

Again, we look forward to serving you and encourage everyone to participate in and enjoy what we have to offer, and volunteer time and energy to help us ensure what is happening in our lodge and chapter continues our forward progress.

A new moose year has started! Have you qualified for the preferred member benefits yet? Just by sponsoring a new or former member into Greenville Lodge you can earn \$.50 off any food item and \$.25 off each drink on Preferred member night each Thursday. The sooner you sign a member, the more you save. Example: 2 drinks @ \$.25 preferred member discount = \$.50 **plus** \$.50 off food item = \$1.00 a week saved x 45 weeks = \$45. You can also get invited to the annual "Preferred Member reception" held in May where food, prizes, drinks and entertainment are provided. **Just for sponsoring 1 member!**

FROM THE GOVERNORS DESK. (If I had one)

Having completed my first month as governor I must say our Lodge is a very busy place. Public bingo on Wednesday, steak fry, free jukebox Sunday, men's, ladies, preferred members night. Bar Bingo, bands and DJ's. Moose Rider, Legion and WOTM activities and the Seniors pork chop dinner was GREAT! I know I have missed many activities but must say to all, use your membership regularly. Invite your friends and neighbors down to visit our beautiful Lodge.

I hope everyone noticed the new display when you enter the building. This wall is intended to honor our members who have won various awards from the Fraternity. I would like to thank Shawn Paddock for the time he put into this beautiful project. If any member has an award they may have won, please feel free to bring it down so we may add it to our Wall of Honor.
