

Once again, we apologize for the lateness of the flyer and we are now asking for someone new to take over the monthly newsletter. This will be the last month that I'm able to do this. If you are interested please see any officer and let them know you can do this. If someone does not step up and get involved, the monthly flyer will come to an end.

Smoking in Social Quarters,

There seems to be some concern about the recent change in the smoking policy of the Lodge. The proposal to modify the smoking policy was brought up at the last Lodge meeting and voted upon by all in attendance to modify the smoking policy. This was done to try and make the best of both worlds for Smokers and non smokers. The policy is as follows: On Thursday and Fridays from open to 9:00pm there is no smoking at any of the Social quarter tables, also on Saturday from 5:00pm till 9:00pm there is no smoking at any of the Social quarter tables. Please note that you can smoke at the Bar area during any of these times. We have listened to many comments both negative and positive. If anyone would like to make a better suggestion or believe they can do a better job of making these very hard decisions, please feel free to step up and get involved. The next Lodge meeting is on October 13, 2008 @ 7:30pm.

Lodge improvements,

We are preparing once again to make some changes in the Lodge social quarters and outside. We recently installed a new camera system, for the safety of our members, we are now in the process of bidding out installing new rails in the front of the Lodge, along with a new ramp to the front door. We are preparing for some new equipment in the Mens facility downstairs, investigating new faucets with water saving capability, new lighting to save energy, expanding our Wine selection and purchasing a wine cooler. We are now finishing up the paneling upstairs, and also preparing to move the Shufflealley table upstairs. Once this is accomplished, we plan to install a new TV with DVD, Playstation 2 for the kids in this area. We will have a good wholesome selection of movies, and games for the kids. We are also trying to fund the purchase of another 32" flat screen w/ HD for our members enjoyment. If any member has any experience in some of the above changes, and can offer some professional advice, we would appreciate it very much. One of our wishes also is to someday see new ceiling panels in the entire downstairs Social quarters w/ new lighting. If anyone knows of someone with experience and desire to make a significant change to the Social quarters, please come to a meeting with your ideas and thoughts.

Change in hours:

We are once again looking into this area of concern for the Lodge. One change already is effective October 01, 2008, and will incorporate locking the gates to the Social quarters, one half hour before last call. Previously it was 15 minutes. A new posting of the hours will be on the bulletin board by the time you read this notice. We are looking at closing earlier during the week but keeping the weekend hours the same. Comments or suggestions, concerns, bring them to the Lodge meeting.

Kids Holiday Party,

We are still searching for members to get involved in the event. If you are interested in volunteering please see Bill Yoder or Bert Yoder for details. The more the merrier at this very fun event. We are now starting the fundraising to make this Holiday a great day for the kids. Thanks to all already that have helped with our chance offs and other things to raise funds. More information will be posted soon to sign up for the committee to organize and run this event. Do not be afraid to get involved and help make a difference.

We have planned a jewelry party for the first Sunday in November. A percentage of all sales will be donated to Mooseheart. Please keep this date open and plan to attend. We are asking those who attend bring a covered dish for all to enjoy. (Men - please note: This would be a great time to attend as well and choose something for your loved one for Christmas!!)

Please remember the women are running the kitchen on Thursday nights during bingo. We are still looking for volunteers to help in the kitchen and to make food to sell.

The Children's Halloween Party is scheduled for Sunday, October 26, 2008 at 2:00 PM for children up to 12 years of age. A sign-up book is located in the social quarters. Donations of wrapped candy is appreciated.

Tickets are currently available to sell for the W.O.T.M. Turkey Raffle in November. Please see Bert Yoder, Rita Daulton or myself for tickets. Lets make this years raffle, dinner and meat bingo a **BIG** success.

I would like to take this opportunity to thank Mary Easton and Tane Sines for their donation of backpacks and school supplies that made our kids back-to-school bingo a huge success. It was a great hit with both the children and parents. Thank you Mary and Tane!!
