Hello Fellow Brothers and Sisters,

Once again we would like to apologize for the lateness of the flyer, with vacation, and many other things happening, it seems like this got pushed back further and further. Hopefully, things will slow down a little bit, and the October flyer will be available early for everyone.

Veterans Holiday Party

Brother Dave Fox, and Brother Bob (Dandy) Rineer, have agreed to run this years event for the Veterans in the Lebanon VA. Yes it seems early to talk about a Holiday party, but it takes a lot of work, and donations to make this a very successful event. We would appreciate any and all donations for the Veterans party this year. You will find a donation list of items on the bulletin board, and we would really appreciate your help to make this years party a great one for the Veterans. Please see Dave or Dandy with any questions.

NO Smoking

As many know we are now preparing to discuss this issue, in our upcoming Lodge meeting on Sept. 08, 2008 @7:30.. If you want to make your input heard, please attend the mtg. It is required that the Board of Officers must vote on accepting the exemption from the law, and allow or go to a non smoking environment. We must notify the Pa Dept. of Health by Sept. 11, 2008 of the Lodges decision. This is a decision we all must make, so be at the meeting to make sure your voice is heard. It has also been requested that we vote on and consider moving one meeting per month to a Sunday afternoon for those who work late.

Next convention club meeting is scheduled for Sept. 26 at 7:00pm if interested in joining the club for the convention in Gettysburg, in March of 2009, please come to the meeting.

Summer 5 week club.

We would like to say Thank you for all the support and turnout for our 5 week club. Thank you very much.

Halloween Parade,

As you may know, the Halloween Parade has been canceled this year. I can say that I'm extremely disappointed in this happening, after working hard for the past 3 years as the chairman of the Parade. I believe that many children and families will also be disappointed in us as a lodge and community organization. We should be disappointed in ourselves for not finding a way and working through the problems to hold this upstanding tradition of the Moose Lodge Family Center 299.
