Moose - The Family Fraternity

The Moose - A fraternal and service organization of 1.5 million men and women in four nations, dedicated to bettering the lives of children and elderly in need, to helping our communities on both the national and local level, and to providing family recreation at a modest cost.

The Governor Speaks

The roof repair project was completed. The raffle ticket that was included in the July August newsletter netted \$250.00 for the project. We have a gun ticket as a fundraiser to help pay for the roof. Please do your part and help us sell them.

2008 is winding down very fast, and Christmas is just around the corner.

Don't forget the comedy night Nov 15th. Remember laughter is the best medicine. Our daily lives are filled with work and family problems, this is an opportunity to let it out and have a laugh.

Thanksgiving is approaching and it is always one of our lodge's best times when family and friends stop in, you may see someone you have not seen in a while.

The Lodge has planned a Blood Drive on Saturday, December 20th. Anyone willing to help would be appreciated.

A New Year's Eve Celebration is being planned for the upstairs. Keep an eye on the boards for details. Don't forget the children's' Christmas party on Sunday,

December 14, 1-3pm. Santa will be passing out treats as usual and there will be entertainment for the children.

Come watch the Steelers at the Moose. There is plenty of room for more to join the fun.

With all the holidays coming, I would like to wish all of you to have a Great and Safe Thanksgiving, Christmas, and New Years with your friends and family, and think of the servicemen & women who are not able to be with their families.

In ending, here is a quote from the Loyal Order of Moose: "Let us go forth with good thoughts, good words, and good deeds for all mankind"

Fraternally,
Fraternally, Mike Maluchnik

W.O.T.M. Chapter 2064

Hello to all,
Well autumn is definitely upon us, football season is here and soon snow and the holiday season.

It's time once again for our annual November bake sale. This year it will be held on November 22nd

between 11am and 4 pm. Donations of baked goods can be delivered to the Moose Lodge anytime Friday the 21st or Saturday the 22nd at 10 am. No cupcakes, please. Along with the bake sale will be the Christmas lottery tree. The tree will have \$100.00 worth of lottery tickets on it and the winner will be drawn on Saturday 12/20/08 at 11pm. Tickets are 1 for \$2.00 or 3 for \$5.00.

Our fund raisers for September and October - Joe Corbi pizzas and Rada Knives were a great success. Thanks to everyone who ordered from us.

There are a lot of WOTM members that we have no phone numbers for. If you have moved, changed your phone number, or have email let us know.

Merry Christmas to all and may the New Year be the best ever.

Senior Regent
Helen Duvall

What would you like to see at your lodge:

On June 11, 2008 Governor Rendell signed into law the Indoor Clean Indoor Air Act. There was provided a 90-day phase-in, meaning it went into effect September 11, 2008.

This law provided for an exemption for Private Clubs, and the Windber Lodge qualifies under that exception.

In order for a private club to allow smoking, the private club must take and record a vote of its officers. This happened at a meeting on July 8, 2008. Here is the motion that passed the vote of the officers: Smoking policy in the Lodge home. Motion to allow smoking in the downstairs Social Quarters area, and allow smoking in the bar area upstairs but not in the hall area, with the only exception is when there is a kid's event there will be no smoking during that event, and there will be notices posted.

If the officers vote to allow smoking in the private club, the club may allow smoking throughout the facility or in any part of the facility, as the club chooses, except for two circumstances:

1. When the club is open to the public through general advertisement for a club-sponsored event.

2. When the club is leased or used for a private event that is not club sponsored.

We will abide by those two circumstances and post when those events will take place, in advance.

The Officers voted to allow smoking, as that had been the policy all along. The Officers are certainly open to discussion at a Regular Lodge Meeting.

Now it's time to voice your thoughts and feelings on a couple of subjects.

The smoking policy approved by the officers allows smoking in the Social Quarters and the upstairs bar area, but not in the upstairs hall, except during the exceptions noted above.

1. Do you agree with the smoking policy approved by the officers?
 - a. Yes, allow smoking, as approved
 - b. No, do not allow smoking
 - c. Allow smoking in social quarters, but not upstairs

2. Do you have a favorite menu item we do not carry? What would you like to see added to the menu?

3. Is there a community service program you would like to see the lodge involved? Would you like to be involved in a lodge community service project?

4. Is there entertainment you would like to see at the lodge? Are you happy with the entertainment we provide?

5. Is there a family activity you would like to see the lodge provide?

Please answer and send or bring your responses to the lodge.

Good standing lodge members are invited and encouraged to attend lodge meeting, held the 2nd and 4th Tuesdays of each month at 8pm.
