From the Desk of the Administrator

Well, here it is again. Time to warn off the last of the cold winter and get ready for spring. And with that, there is a great deal of thing happening here at the Lodge for ALL. The newsletter has plenty of information on the activities and I hope that we can see more of you here at the Lodge.

It is also the time of year when we are looking for new faces that are interested in becoming officers here at the Lodge. Or if you have an idea that you might want to see us try - stop by the Lodge and let's talk about it!

Congratulations to all of those that helped with this years float in the Holiday Parade. Our float won first prize - GREAT JOB BY ALL. Tip of the hat to everyone that helped also with our Annual Breakfast with Santa & Cocktails with Santa. And a super job by the team that brought us a GREAT New Years Eve party. Working together was the key element in the success of these events and going into 2009. I'm sure more exciting activities are being planned for everyone.

Just a reminder to any member that would like to attend the Annual Mid-Year PMA Conference on March 13th & 14th in Gettysburg. Please let me know so that we can get you registered. It is a great weekend of sharing Moose with others from other lodges throughout the state.

Our goal continues to grow with our Lodge and we need YOU and every member to be a special part in the development of success. I sincerely hope that as this new year kicks forward, that you come in and share in the fellowship and fun of the Moose. It's always a great time when there are many involved and sharing what really comes natural - having a GREAT TIME.

Closing out. I am here for you. Come on into the Lodge for a great time - meet new people and share your experience with us ALL.

Thank you for your support - for being there - for making friendship mean something very special.

- Harvey Reem, Administrator & Social Club Member

Gimme Five

"What Is It? Nothing More, or Less, Than A Simple Plan to Help Ensure The Future of Mooseheart and Moosehaven.

Five cents -- set aside from the change you pour into your pocket or purse in the morning. **Five more cents** -- set aside from the change you empty from your pocket or purse in the evening. Just that: a nickel in the morning, a nickel in the evening, set aside and sent to Moose Charities, for the kids of Mooseheart and the seniors of Moosehaven.

That's the new "GIMME FIVE" program -- it's really nothing more than that.

But it's also nothing less than this: If anything close to the entire membership of the Loyal Order of Moose and Women of the Moose were to do just that much . . . every day . . . for five years . . . it could ensure the financial future of Mooseheart Child City & School in Illinois, and of our Moosehaven retirement community in Florida -- without having to keep coming to Moose members every year to ask for more.

How can this be? Remember the wisdom of our Enrollment Ritual: "A burden heavy to one is borne lightly by many." Then, do the math:

We honestly believe that very, very few of our nearly 1.3 million Moose men and women would find it a hardship to set aside a nickel in the morning, and a nickel at night, for Mooseheart and Moosehaven.

But let's be conservative and say that only 1 million can or will do so. For each of those caring members, then: Five cents in the morning, five cents in the evening is ten cents a day -- or \$36.50 a year. That amount multiplied by 1 million members . . . is \$36.5 million per year. After five years, by the end of 2012, that could be \$182.5 million -- before accumulating investment interest is added in. All from five cents in the morning, and five cents in the evening.

Quota Busters Abound

Tough Times Can't Keep Good Lodges and Chapters Down!

Just eight months into our campaign year, over 20% of our Lodges and Chapters have already achieved their respective annual new member production quotas. Every Lodge and Chapter has the ability to achieve these results. It's probably a safe bet that none of these high achievers started the year saying "We can't make our quota". It all starts with attitudes and positive attitudes lead to positive results.
