## ***Lodge Picnic THANK YOU***

***Just a quick THANK YOU to everyone for coming to this year's Lodge picnic. I hope that ALL had a great time. The food was great and the kids did a great job with the games - the facility just added a super finish to all the planning.***

***THANK YOU also to all that helped plan and put the day together from preparing the food to washing the last dish it would not have been possible without your HELP.***

## **😊😊😊😊 MOOSEHEART VISIT 😊😊😊😊**

***WOW! What a visit. It was great starting with the PMA Picnic To the final good-bye from the Lodge parking lot The Teen Club made them Official Members of their Club and presented them with shirts and then shared the evening at the Lancaster Barnstormers were they had a super time right from the beginning. They met the players on the field and then joined them on the playing field as the "Dream Team "for the National Anthem. Thank you to the Moose Legion Committee for their gift of spending money as they picked up special items that will bring back some memories I'm sure after they get home. But it didn't end there -Monday night they stopped by the Lodge for a backyard BBQ. These kids can eat! Following that we turned the Ballroom into the Official Moose Olympic Stadium. The competition was tough but the final results were all GOLDEN as everyone stood tall on the top podium. And Thank You to the WOTM who added each a small goody bag and some additional spending money for their next day at the Strasburg Railroad This truly was a great trip and it gave you something special of what being a Moose Member is really ALL ABOUT.***

***Again, to those who helped put it together THANK YOU***

## *From the desk of the Administrator*

*Wow! Where did the summer go! We're talking September & October. Hope everyone had a great summer and is ready to pull things into high gear as we begin the many activities planned for the fall. And our 100<sup>th</sup> Anniversary is quickly approaching.*

*First, let me say Congratulations & Thank You to ALL as the Lodge received the Golden Top Hat Award for Community Service at Convention at Pittsburgh. It was truly an honor to receive this award. Because of your dedication and service to the activities that involve the community our Lodge can truly stand tall and proud. Thank you also to everyone that helped to plan the Annual Lodge Picnic. I hope everyone had a great time — we had plenty of food — activities — fun. The new facility just added to the success of the event and it was a great team event. Thank You to the kitchen staff for the preparation of the food and to the Teen Club for running the games.*

*Just a note on the Mooseheart Kids visit — We had a super time with them. The baseball game was really special and there stopover for the backyard BBQ & Moose Olympics went great. It really meant a great deal to see what being a MOOSE MEMBER all is about.*

*Wrapping it up We are three months into the new year, over the past years we have truly come a long way working together and pulling to make the Lodge the best it can be. This year's Moose theme — NOW IS THE TIME simply says it best. Let's all pitch in and bring more members into the Lodge to attend the many events and activities that some many are planning. By being involved we are taking our Lodge to a new level of involvement and this means that we can do so much more TOGETHER.*

*Let's do it together — TOMORROW is ours if we first work together and bring new faces into the picture. I know that we can do this and I sincerely hope that everyone join the best of the best as we DO IT TOGETHER!*

*Working for You Harvey*

*A Big Congratulation goes out to our Lodge Governor Steve Krut on his recent marriage to Cindy Klinger (Past Senior Regent). We wish you all the best!*

## From The Governor

We are off to a good start in our Moose Year which began [May 1](#). Membership is growing, the Committees are active, and there are plenty of activities going on in our Family Center.

But there are two things that we need to do that could make things even better.

The first is to take a few seconds and click on the website <http://apps.facebook.com/KohlsCares> It seems everyone has a facebook account today. If you go to this site, you have the opportunity to vote five times for Mooseheart School to be a recipient of \$500,000 from the KohlsCares program. Do you realize that this is more than we have given to the Endowment Fund since the founding of our Lodge nearly 100 years ago! That amount will be given to the top 20 schools getting the most votes. We can do it if you will do it. Take those few minutes that could mean so much to the children at Mooseheart we pledged to support with our efforts. It will not cost you a cent, just a couple of minutes of your time.

Another thing I encourage you to do is "never pay dues again!" Sound like a looney thing to hear from the Governor? Not really. You see Moose International has a new membership building campaign that is now in effect. It's so simple it's amazing. Just sign up two new members and you will get your next year's dues paid at no cost to you. If you are a Lodge member or a WOTM member, you can be rewarded with a free membership.

And, if you sponsor two new Moose Legionnaires and they are enrolled, your Moose Legion dues will be paid for the coming year. That is a real win-win situation.

We are approaching the 100th anniversary of our Lodge founding next May and a full week of activities and events is being planned for everyone. Commemorative shirts are already on sale and are going fast. The several varieties and colors are on display in the Social Quarters.

I'd also like to take a moment to wish a speedy recovery to Nancy Homsher, our daytime bartender for 25 years. Nancy recently tore ligaments in her foot in an outdoor accident and has been on the mend. We hope to see our valuable friend and employee back in the coming weeks.

Your Lodge and Chapter was well represented at the Pennsylvania Moose Association convention in Pittsburgh in late August. Your Administrator Harvey Reem, Past Governor Tom Foltz, PMA Loss Prevention Chairman Dave Donahue, PMA Convention Chairman George Germer, Deputy Supreme Governor Mike Henry (also PMA Community Service Chairman), and me (PMA Shining Star Awards Chairman) attended, along with Past Grand Regent Janet Harple, Senior Regent Kim Ramirez and Co-Worker Melissa Ebner. All four Chairmen were reappointed for the new year and our Lodge received the Gold Award for its Community Service Programs.

Keep up the great work you are doing and remember that we are all in this to help our Kids at Mooseheart and our Seniors at Moosehaven. They are depending on us and with your help, we will not disappoint them!

Steve Krut,  
Governor
