Governor's Message

First I would like to say we are starting a new lodge year with new faces and new officers, our lodge does have some problems we need volunteers for committees, helping in the kitchen and lawn mowing and trimming each week. Anything you do will be greatly appreciated and I speak for the Board and our helpers.

I would like to thank Jack Dawson Jr. for his leadership the last two years and welcome Wilson (Bill) Broadt Jr. as the new Administrator come in and say thank you to Jack and welcome to Bill. Remember lodge meetings are the second and fourth Tuesday of each month.

The bar book has changed it now cost \$1.00 to sign and is progressive until someone hits it. Drawing is at 7:00 P.M. each day and the payback is 100 %. Please mark your calendar Thursdays are clams and wing night, plus food off the bar menu. We will be honored by having the District meeting at our lodge on Sunday June 5, 2011 and the Supreme Governor on Friday July 15, 2011. More information will be on the web-site as it becomes available.

I would like to take this time and thank you for allowing me to serve as the Governor of this lodge.

Respectfully

Don W. Swartz, Governor

Supreme Governor to Visit Columbia Valley Moose Lodge

We have a very special event on July 15, 2011. The Moose International Supreme Governor will visit our lodge for dinner, dance, and special ceremonies. More details will be provided later.

We Are Growing!!

Our lodge is showing signs of improving its health. We have had a slight increase in membership over last year. The Moose calendar year ends each April and for this calendar year we have 349 members!

Mooseheart provides children whose parents are unable to, for a variety of reasons, with a nurturing home, spiritual development, a solid education, and the social skills they need to reach their full potential through a variety of

innovative, nationally-recognized, educational, family-living programs.

Moosehaven provides senior members in need with a secure, relaxing, and enjoyable retirement experience with a comprehensive health care program.

Moose lodges and their members across the United States, Canada, Great Britain, and Bermuda strive to help Moose International with donations to maintain its 2 main endeavors along with the many programs designed to help local communities and bring them closer together by celebrating life through compassion and the dedication of caring for young and old.

Let us hope to grow even more next year. Thanks to everyone that has helped grow our lodge!!
