TITUSVILLE MOOSE RIDERS

Just a little note from the Moose Riders to keep in touch. The Moose Riders is coming together very nicely. Van & Terry Webster and myself went to Moose Lodge #78 --Oil City for a Moose Angels meeting on Sunday March 13, 2010. They have been together for almost four years and they are doing very well. They have meetings on Sunday so when it is nice they will plan a ride during their meeting and then ride after the meeting is over. Not a bad idea! Anyone is invited to join them anytime, so feel free. We are hoping that the Titusville chapter can support the Oil City chapter and vice versa. The Moose Riders are going to be helping out at the Titusville soup kitchen on April 15, 2010. Anyone interested in helping please get with me and I will sign you up.

Our first ride is scheduled for Saturday, June 12, 2010. We are leaving Titusville at 11:00 am and going to Union City, Meadville, Greenville, Franklin, and Oil City Moose Clubs. It will be a Poker Run with a pay out to the top 2 poker hands. There will be a fifty-fifty drawing to benefit a charity to be announced at a later time. We will go back to Titusville where we will have a cook out and entertainment. If you don't have a motorcycle bring your vehicle and ride with us. All are welcomed. Hope to see you at any of our events and if you have an idea please feel free to talk with Van or myself. Hope to see you on June 12.

Sincerely Jim Heighes

Moose Family Center Qualified Guest Definition

Three classifications of a qualified guest

1. Prospective Member (male or female). 1st visit you are considered a guest. 2nd visit you are considered a prospective member. 3rd visit you must join or leave.
2. Immediate Family (see below)
3. Lady friend of a good standing lodge member or a gentleman friend of a good standing chapter member.

Moose Immediate Family Definition

Along with the IRS definition of "immediate family" we must remember what the private policy states (General Laws - pg 143): If the immediate family member comes in with a family member of the same gender and are the age of 21 or older, they are then considered a prospective member and no longer an immediate family member. For instance, if a Lodge brother brings in his son who just turned 21 he is no longer considered a family member, he is now a prospective member, however, if a Chapter member brings in the same son who just turned 21 he can come in as often as he wishes with that chapter member. The Chapter member cannot sign a male up as a member and vice versa a Lodge member cannot sign a female up as a member.

PLEASE SHOW YOUR MEMBERSHIP CARD
 AT THE BAR WHEN MAKING A PURCHASE

Why Do We Ask You To Show Your Membership Card?

Because doing so maintains our rights as a private organization - and can, quite literally, save your Lodge from financial ruin.

It says that the holder is a fraternalist, a friendly person who enjoys the company of others - and who stands ready to help a fellow human being in need whenever he or she can.

It says that the holder is someone who holds a special place in his or her heart for children. Through his or her Moose membership, he is doing something real and tangible to provide hope and a better life for youngsters in need, at Mooseheart Child City and School in Illinois.

And, it says that the holder is ensuring - even if he or she (and his or her spouse) reaches retirement age without adequate savings - that together they will enjoy a secure, dignified retirement without being a burden to either family or society, through the availability of Moosehaven in Florida.

Thank you a advance for your co-operation, supporting your Lodge, and Social Quarters.

From the desk of the Administrator: Are you a good standing Moose Member ?

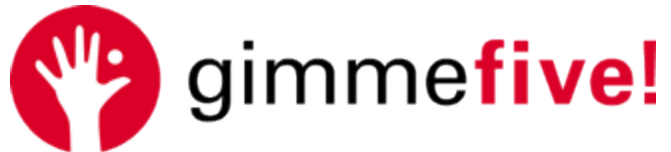

Every business and individual is facing their own economic challenges. Sometimes on different scales, but challenges non the less.

Groups / organizations that have membership dues seem to be particularly hard hit now. Dues are critical to the operation of our organization. Your paid membership contributes to our operation and success.

Members not renewing their dues make it increasingly difficult for our continued success. If it is you, or you know someone who has not paid their dues. Please take 10 minutes today to pay your dues.

- You will be helping Titusville
- You will be helping friends
- You will be helping your family
- You will be helping your neighbors
- You will be helping a complete stranger, otherwise a new friend
- You will be in good standing

James Decker
Administrator

WHAT IS GIMME FIVE?

The Gimme Five Endowment Program gives us the opportunity as an organization to help secure the future of Mooseheart Child City & School and Moosehaven, City of Contentment.

All from five cents in the morning and five cents in the evening, or \$36.50 a year.

Your belief in our mission means a great deal as we move forward and we are pleased to recognize donors who have met and/or exceeded the 5-year donation. Each month distinctive pins are mailed to the donor as each 5-year level is attained, and the donor's name is posted in the respective levels; Wall of Fame, Tower of Fame and High Five.

We offer our heartfelt thanks to each of you as you continue to give to this most important program.

To donate go to www.moosintl.org or see our Lodge
