**From the desk of the Governor:**

I would like to take this time to welcome aboard our new Moose Riders Chapter. This is a highly motivated group, that will no doubt will do a lot of positive things for our lodge, also a increase in Moose 84 membership.

Rather it be, a members guest, a new member, or a visitor from another lodge. Please make them welcome, first impressions last the longest. If someone feels that this is warm and friendly lodge, they will no doubt return many times.

All though we encourage membership. It has been approved, that a members spouse, when with the member may visit our social quarters without becoming a member.

If anyone has comments or suggestions. Please write it down a put in the suggestion box located by the front door. We want to include everyone thoughts when making management or entertainment decisions.
