chap•er•on- an older person who accompanies young people at a social gathering to ensure proper behavior; *broadly*: one delegated to ensure proper behavior.

The Lodge or Chapter chairperson should be the Chaperone; parents are not encouraged to participate. Chaperones are required to check students into the hotel, pizza party, and Saturday's congress. They are responsible for students during the congress weekend, Friday night social, as well as attending the congress with the students. There will be no students leaving the pizza party unaccompanied by a chaperone. You are also responsible for your students and their actions in the hotel. There will be a room curfew of 11:30 PM on Friday evening.

Chaperones Responsibilities:

- Chaperones are required to transport their student representatives to and from YA Congress.
- Check students into hotel, using their names as they appear on the student form and the lodge that sponsored them to the congress. Never change rooms of students that the hotel has assigned, we need to know where everyone is located in hotel for security reasons and hall monitoring. Students must have separate room from chaperones, 2-students to a room.
- Required to remain with their student representatives during the Friday evening Social and attend Saturday's congress. Attendance will help you answer questions your students may ask you when organizing their Kids-Talks. You will also attend a chaperones meeting during Saturday's congress.
- Students are not to be dropped off & picked up at a later time.

The Lodge or Chapter chairperson should be the chaperones. They have the responsibility to not engage in the use of alcohol or tobacco products while interacting with the Youth Awareness students at all times. This includes the host meeting, any form of transportation that the lodge may provide for students, any Kids-Talk that may be in your lodge, and from the time that you leave your lodge with students to attend the Student Congress until you return them safely home. You may smoke, but not around the students. Absolutely no alcohol will be tolerated while acting as a chaperone from the time you leave your lodge until you return.

***** SPECIAL MEMO *****

In previous years there seems to have been confusion concerning parents accompanying the students to the Association Student Congress. Whether the misunderstanding was at the State, Lodge or Chapter level or wherever; the Association Student Congress is for students. Therefore, parents should accompany the students to your lodge to assure that they are at your lodge on time. The hosting Lodge, Chapter and sponsoring chaperones will oversee the students at the Association Congress. Please discourage any parental involvement as far as wanting to accompany the student to the Association Student Congress. (*Only exception would be, if the chairperson is the parent of the student*). Please make sure the lodges and Chapters are aware that this program is for students and Chaperones only, not for parents that are non-members.
