

Price and Size for ads in the Mid-Year Book

Patrons \$2.00 each

The deadline for the Mid-Year Book is January 31, 2011

And don't forget the earlier we receive your ads, the possibility of fewer mistakes there will be.

It is better to send your ads by e-mail; it makes it a lot easier to work with. Also let us know what program you used to compose your ad. When sending by e-mail we can work with ads much better and easier. Most computers have Microsoft Word, Microsoft Publisher or some sort of word processing program. **When e-mailing your ad, send to MooseNewsPMA@aol.com**, and when sending your check include a **hard copy** of your ad. That gives me something to check the ads against.

Please send your check along with a hard copy of your ad to me. When sending to anyone else you may not get credit for your ad.

When e-mailing your ad, include your address, phone number, Officers names and titles, hours of your club operation and hours of your kitchen operation if you have one.

We want to make it as informative as possible.
