PENNSYLVANIA MOOSE ASSOCIATION

“Attention Members”

To our members attending and bringing children to the Mid-year Conferences and Annual State Conventions. It has come to the attention of the Pennsylvania Moose Association State Board of Officers that there are some children unattended in the Association Hospitality Room in the courtyard.

Yes, we are a Family Fraternity and we do love to see children having fun. But at the same time the children should not be allowed to be unattended during the evening social hours. We are concerned the children may get injured seriously if not watched.

Please note that we do furnish a Youth for the children. The youth room is open Friday and Saturday from 12:00 p.m. to 9:00 p.m. in the Edwardian Room off the lobby. Don't be afraid to use it. It's there for your family.

The pool is open to everybody to use. We especially need you to watch your children when in the pool. The pool officially closes at ten when they turn the heat off. We suggest that would be a good time to allow the children to go back to the room and rest after a long day.

We the State Board are asking for your cooperation and help in this matter. We are not babysitters and should not have to watch your children for you.

Thank You,
State Board Of Officers

Please post on Bulletin Board and inform attendee of the conference.
